

ANATOMY OF A: ELITE GROOMING TUB

Sliding restraint ring design

Radiused corners along all the corners of the tub.

Latch is easy to use and constructed of the same long lasting material as our hinges.

Slip resistant tread on stairs.

Removable supply caddy comes with two plugs to close unused mounting holes.

Door is completely removable and features the sturdy hinges that are used on our cages.

Steps slide in and slide out with the touch of your foot.
