

PVC FLIP-UP RUN BENCH

A Colorful Way to Give Dogs a Place to Rest

Our newest resting bench sits at the back of most any 36" or 48"W kennel runs providing plenty of space for stretching out and playing with toys and blankets.

PVC FLIP-UP Run Bench

Benefits:

This PVC Run Bench provides the perfect solution for giving larger dogs a place to rest and stay dry in their run. The bench sits over the drain area and lifts up to allow the kennel crew to clean.

Features:

- PVC-covered panel is available in standard or premium T-Kennel run colors.
- Bench flips up for easy hose-down cleaning.
- Reinforced bench supports even the largest giant breeds and works well with the dog's favorite blankets or toys.
- Stands up to heavy use.
