

STATIONARY WALL MOUNT TABLES

Stationary Wall Mount Tables

Benefits:

Shor-Line's stationary wall mounts leave floor space open while providing a large exam surface for patients. Add the optional storage drawer and save on even more space by keeping your exam area free of clutter. If you want all the reliability of the wall mount with some added flair, the Blue-Line model of tables come in four stylish colors without sacrificing quality.

Features:

- Stainless Steel construction.
- Recessed perimeter and the Blue-Line polyurethane edging help prevent fluid run-off.
- Radiused corners, so no sharp edges to bump into.
- Blue-Line Table Top comes in four colors: Taupe Gray, Black, Jade and Shor-Line blue.
- Storage drawer is 11"W x 15½"L x 4¼"H
- Blue-Line Stainless Steel Table Top is 44½"L x 22½"W x 1"H
- Standard Table Top is 46"L x 22"W

Additional Colors:

Standard Blue Black Jade Taupe Gray
