

SHOR-PET ALL-PURPOSE TABLE

Welcome to the Shor-Pet Line

Shor-Pet products have the durability you expect from Shor-Line products at an entry-level price. We deliver the quality and key features you need.

Benefits:

This All-Purpose Table will become your go-to work area. Your freshly bathed pets will be plumped with pride as you dry them on this Shor-Pet table and there is ample room for putting on the finished touches, such as nail polish and bows. The coated surface gives them confidence, and it is large enough for you to work efficiently.

Features:

- o Wide, large table in an attractive Silver Vein or white color for drying freshly bathed pets.
- o Proprietary polyurethane coating prevents paws from slipping and makes the dog feel secure.
- o Rounded corners protect your hips as you float around the table.
- o Rounded table legs are stylish and easy to clean.
- o Table construction provides the durability and stability you expect from Shor-Line.
- o Adjustable leveling legs create a stable surface, even on uneven stone floors.
