

SHOR-PET GROOMING TABLE

Welcome to the Shor-Pet Line

Shor-Pet products have the durability you expect from Shor-Line products at an entry-level price. We deliver the quality and key features you need.

Benefits:

This Shor-Pet grooming table combines style and ergonomics so you can effectively groom. The coated surface gives pets confidence, and the large surface with rounded corners lets you move efficiently

Features:

- o An attractive Silver Vein color compliments most facility decors.
- o Proprietary polyurethane coated top prevents paws from slipping and makes the dog feel secure.
- o Rounded corners protect your hips as you groom around the table.
- o Z-style grooming table provides a stable grooming surface for pets from toy to large breeds.
- o High-quality grooming table construction provides the stability you expect from Shor-Line.
- o Hydraulic jack pumps the table up to your ideal grooming height.
- o The pump can raise the table from 20" to 41" high.
- o Adjustable leveling legs create a stable surface , even on uneven stone floors.
- o Add optional Grooming Arm (803.3221.08)
