

RETROFIT GROOMING ARM

Strongest Arm Available

The pivoting Retrofit Grooming Arm adjusts to how YOU want to groom the pet. It's so durable that it will be your grooming partner for years.

Retrofit Grooming Arm

Benefits:

The Retrofit Grooming Arm is a great item that works with other kinds of equipment. When other arms collapse under pressure, the grooming arm stays strong.

Features:

- Arm made out of 1", 11-gauge Stainless Steel.
- 1" square tube holds up when other arms collapse under pressure.
- The arm locks into any position between 22" and 39" vertically and the loop hook has six position choices. (Loop is NOT included.)
- Retrofit arm sits into the bracket that exists on your table as shown.
- Shor-Line Grooming Arm fits many competitive tables. Check with a sales rep for the best fit for your retrofit.
- All features allow the groomer to operate the Grooming Table efficiently and comfortably.
- Silicone ball at end of grooming arm protects pets and prevents floor damage.
